

PTSA MEMBERSHIP

The PTA is the largest child advocacy organization in the US. Your dues support efforts on the local, state and national level to improve school safety, increase education standards, and give a powerful voice to children across America.

At MHS the PTSA plans and administers dozens of programs for our parent body, our staff and our students. Unlike in elementary school, your PTSA dues are not included in your direct drive donation. We are asking every single parent and student to become a voting member. Any member of the family may join.
